

## **Animal home's street party success for homeless cats and dogs**

### **Over one thousand members of the public met rescue home residents at annual Open Day**

London –The Mayhew Animal Home in Kensal Green once again held its annual Open Day on Sunday 18<sup>th</sup> July in order to raise funds for the cats, dogs and rabbits at the rescue and rehoming centre.

Every summer the charity opens its doors to the public so they can see inside the rescue home and meet some of the four-legged residents. The road outside the Home was host to a traditional 'street party' style event, with live music, entertainment, BBQ, gift stalls and much more.

2010's event featured street acrobatics, performances from *Britain's Got Talent* semi-finalist Jackie Prescott and her dog Tippytoes, The Mayhew's Dog Shows and interactive tours round the Home's veterinary clinic.

Events Co-ordinator, Fran Llewelin, said: *"Every year, The Mayhew Animal Home opens its doors to our friends to come and see some of our amazing facilities and meet some of our animal residents. They also got a behind the scenes peak at some areas which are usually out of bounds to the general public!*

*It was a wonderful day this year, with over a thousand visitors turning up to visit the Home, meet some of our homeless cats and dogs and enjoy browsing our range of stalls, grab a bite to eat and watch our entertainment and dog shows. We can't wait to do it all again in 2011 when The Mayhew will be 125 years old!"*
